

# Casting NAIW's **N**etworking **E**ducation **T**echnology!

I am casting my "NET" for the California Council Public Relations Chair. I became a member of NAIW in 2005 and have been an active participant since joining. I look forward to the growth and opportunities that are developing in NAIW and would like to participate in that growth as your representative. I am asking for your support. Please see my contributions to NAIW so far.
